Hon. A. Loudon Snowden
Superintendent

Sir:

As supplemental to my letter to you of the 18th inst. relative to an improvement in our machine for grinding rolls, I have the honor to report, that, Mess. J. Morton Poole & Co. of Wilmington Del. agree to furnish a grinding head and spindle, according to plans in use at their works, adapted to use a 10" wheel to include bed to support same, arranged to be bolted to present bed of machine, for the sum of Two hundred and fifty (\$250) dollars, boxed and delivered f.o.b. in Wilmington.

Very Respectfully,
Your Obt. Servant
O.C. Bosbyshell
Coiner.
